The Zion Christian church is praised for its generosity in giving prayer sessions to non-Zion members who approached it for praying for people who visit it for such blessing and mercies. It's through these prayer for the sick that ultimately Mrs Tesanyo Florence Motlhabane (*wife to local traditional leader/Kgosi Mopalami*) joint the Zion Christian church through encouragement from her cousin brother Moruti Mokhudu Kgosiemang from Manokwane Taung,

Many more community members from the village joined the ZCC and its one of the well-attended churches in the village that appeals to both young and old people.

Zion Christian church has established a church on the site given for that purpose by the local traditional leadership near the current primary school.
