

INDEPENDENT CHRISTIAN CONGREGATIONAL CHURCH -ICCC

The independent Christian congregational church is a not so long break away church from the NICC.

It started as result of the differences in leadership and it wa established and for the Picong branch Rev Phepheng of Mapoitsile was one of the founding preachers and leaders of this church.

This church too like is parent church NICC started their own establishment while keeping major ethos or main traits such as hymns and unfirms or attire of its church groupings or societies.
